With everything going on with COVID our local residents have not had visitors! On Friday February 12, we will be delivering Valentines to our local nursing home and assisted living residents in Pelican Rapids! Do you want to sponsor a resident?

We would love to have 60 handmade Valentine Sweet Cases for each of the residents. We will have the blank Valentine Sweet Cases ready for pick-up at Brown Eyed Susans to decorate for our residents. We ask that the boxes be returned by Friday, February 5<sup>th</sup> to allow time to disburse the Valentine's into each of the Sweet Cases.

You have 2 options to sponsor:

Package A- 1 Valentine Balloon & 1 Card - \$5

Package B – 1 Valentine Balloon & fresh arrangement \$10

These will be delivered to Pelican Valley Nursing Home, Riverfront Manor and Riverfront on Main on Friday, Feb 12.

There are approximately 60 residents. You can have them delivered to a specific resident or adopt a resident!

You can choose to donate any amount towards this project.
